EXPLANATORY STATEMENT

(Pursuant to Section 102 of the Companies Act, 2013)

As required by section 102 of the Companies Act, 2013, the following explanatory statements sets out all material facts relating to the business mentioned under Item Nos. 3 to 4 of the accompanying notices:

Item No. 3

The explanatory statement is provided as per Section 102 of the Act, though strictly not required.

M/s. P Khetan & Co. Chartered Accountants, (Firm Registration No. - 327386E) were re-appointed as statutory auditors of the Company for a period of five years at the Annual General meeting held on September 21, 2019 to hold office from the conclusion of 46th Annual general Meeting till the conclusion of 51st Annual General meeting, subject to ratification by members at every Annual General Meeting.

Accordingly, ratification by members is being sought for the proposal contained in the Resolution set out at item No. 3 of the Notice.

None of the Directors or Key Managerial Personnel of the Company and / or their relatives is in any way, concerned or interested, financially or otherwise, in the resolution.

Accordingly, the Board commends the Ordinary Resolution as set out in item No. 3 of the accompanying notice.

Item No. 4

Regulation 17(1A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations") provides that no listed company shall appoint or continue the directorship of any person as Non-Executive Director who has attained the age of 75 (Seventy-Five) years, unless a Special Resolution is passed to that effect and justification thereof is disclosed in the explanatory statement annexed to the Notice for such appointment.

Dr. Subhash Salunke was appointed as a Non-Executive Independent Director on the Board of the Company for a period of five years with effect from October 28, 2017 and the same was approved by the Members of the Company at their Annual General Meeting held on September 29, 2018 for a period of five years with effect from September 29, 2018 to September 28, 2023.

Dr. Salunke will attain the age of 75 years on April 19, 2023 and his appointment as approved by the Members of the Company is valid up to September 28, 2023. Accordingly, to comply with the provisions of Regulations 17(1A) of the SEBI LODR Regulations, Company is seeking approval of the Members through Special Resolution.

A brief justification for his continuation as Non-Executive Independent Director on the Board of the Company is as under:

Dr. Subhash Salunke has an MBBS, a Diploma in Public Health, a Diploma in Industrial Health and an M.D. from the University of Pune. He is Senior Advisor, Health Systems Support Unit (HSSU), PHFL since 15th May, 2010.

Dr. Subhash Salunke has been an effective and popular faculty in the subject of Preventive and Social Medicine (Community Medicine) for eight years and a postgraduate guide. Also, he was an adjunct Associate professor of Biological Sciences, human ecology at the University of Texas, USA - School of Public Health - from 1994 to 2000. His 30 years' experience in the Public Health Department spans from Deputy Director to Director General in the Health Services of Maharashtra. Most of his illustrative examples of achievements in contemporary Public Health emanate from his own personal experience. Being an achiever, he has experienced a meteoric rise in the field of

Public Health. His stint with the WHO SEARO spanned from being Regional Advisor in 2005 to Assistant Regional Director in 2009, including three years as the WHO representative to Indonesia.

He has navigated various portfolios in Public Health not only by fulfilling goals and target but also by demonstrating innovative and rational ways. He has assisted State Governments to initiate a number of schemes, mainly focusing on health services to the poorer section of society. He was actively involved in formulating projects like "Health System Development" for Maharashtra that was supported by the World Bank. He has shown leadership in designing the HIV/AIDS Control special programme (AVERT) with the assistance of USAID for Maharashtra State. He was one of the members of designing National AIDS Control Programme Phase II during 1999-2000 that was a major step in control of HIV/AIDS through the National Programme for Control of HIV/AIDS.

Dr. Salunke fulfills all conditions specified under the applicable laws for the position of Non-Executive Independent Director of the Company. The Company has also received necessary declarations from him that he meets the criteria of independence as prescribed under the applicable laws including but not limited to SEBI LODR Regulations. He is not disqualified to act as Director in terms of Section 164 of the Companies Act, 2013. He is not debarred from holding the office of Director by virtue of any SEBI order or any such authority.

Details of Dr. Subhash Salunke pursuant to the provisions of (i) SEBI LODR Regulations and (ii) Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India are provided in the 'Annexure' to the Notice.

Except Dr. Subhash Salunke, none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution.

The Board of Directors of the Company recommends the resolution set out at Item No. 4 for approval of the Members as a Special Resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**STRUCTURE OF DIAGNOSTIC INDUSTRY**

The Indian healthcare industry has been growing at a compound annual growth rate CAGR of 22% since CY16 (according to the Niti Aayog and IBEF) and is expected to reach USD 372 billion in CY22. While the Government's spending on healthcare remains low, there has been considerable progress made in the last few years, especially since CY20, when the COVID-19 pandemic hit the entire world.

After various events that unfolded due to COVID-19 pandemic, the Government of India has become more cognizant and is focusing on building a resilient and sustainable healthcare ecosystem. In line with this, the allocation of funds to the Department of Health and Family Welfare was increased by more than 100% to ₹ 5,632 crore for FY22-23. Even the budget under the Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (PMJAY) has more than doubled ₹ 6,412 crore.

The diagnostics market in India, which has been valued at ₹ 710-730 billion in FY20-21 is projected to grow at a CAGR of 14-16% over FY21-23 to ₹ 980 billion.

The COVID-19 pandemic outbreak has further sensitized Governments and citizens across the world to the importance of healthcare infrastructure and the role the diagnostic industry will play in earlier detection, prevention and management of diseases.

While diagnostic tests cannot treat patients or cure illnesses, it is an integral part of the healthcare value chain. Diagnostic tests improve patient care and help to limit healthcare spending by finding potential problems sooner.

GOVERNMENT INITIATIVE TOWARDS HEALTHCARE INDUSTRY

- In India, 70,000 Ayushman Bharat centres are functioning, with the goal of delivering basic health care services to people closer to their homes.
- The diagnostics sector in India is presently worth USD 4 billion. In this category, the organised sector accounts for over 25%.
- Health insurance accounts for 20% of the non-life insurance sector, making it the second biggest portfolio. In FY 2020, gross direct premium income covered by health insurance increased 17.16% year on year to USD 6.87 billion.

MAJOR GROWTH DRIVERS

- **Ageing Population:** The share of older people in the overall Indian population is rising. In many cases, an increase in age means an increase in the number and complexity of illnesses. Thereby, resulting in more demand for diagnostic services and preventive care.
- **Rising Income level:** People's disposable income has increased as per average spending has risen. This results in increased client spending and changing lifestyle. This has created opportunities for promoting healthy and preventative care, which in return has created opportunities in the diagnostics business.
- **Preventive Testing:** Increasing awareness and the measures taken by the Government to promote preventive testing via tax cuts will become a tailwind for volume growth.
- **Health screening:** Companies encourages their workforce to undertake preventative and wellness screenings. It is performed primarily to assist their employees' well-being and, perhaps, to minimize absenteeism and health risk levels. With employers covering the cost of employees' health screenings as part of the packages, the medical business will undoubtedly see a new stream of revenue from this market.
- **Continual brand building initiatives** will create more opportunities to formalise patient interactions with the diagnostics space.

OPPORTUNITIES AND THREATS

The fragmented structure of the industry provides the organized diagnostic players an opportunity to consolidate the smaller players. It is an effective way to expand geographical reach and penetration for the larger businesses.

Further regional brands are also emerging as national players, thereby leading to increased competition. E-commerce based offerings have also started to slowly creep into the industry and have initiated the onset of digitization of services, as they have in almost every other industry. With this increasing competition, margins are likely to remain stable and growth would be led by volumes and not pricing. These developments can impact Aspira by impacting margins.

OUTLOOK

The future outlook for the diagnostics industry in India is favorable with the rapid technological advancements in the healthcare industry and doctors increasingly relying on evidence-based treatment. Instances and situations like the COVID-19 outbreak also further boost the importance of diagnostics as an integral part of healthcare and the awareness among people regarding preventive testing for lifestyle and chronic diseases.

With emphasis on providing quality services and compliance, the organized players will benefit from such developments. Hence, the switch in the industry from small, standalone players to larger more organized setup is also positive and welcome.

Aspira is focused on evidence based healthcare. More and more Doctors are also relying on diagnostic reports before prescribing therapy. Therefore, it is important to engage with the Doctors by adopting various digital technologies.

Still affordability is an Issue, No, good Policy exist around diagnose of patients, No insurance claims for preventive measures.

RISK AND CONCERNS

Competition and pricing

The entry barrier is very low in the diagnostic labs segment. Therefore, many small labs come into the market every year. This puts pressure on the pricing of established players since they have much larger overheads. Trust, transparency and empathy would be important drivers to engage with the customers. Aspira is continuously working towards building its brand around these core values. Aspira has fully supported Government's mandate for pricing for TB, Malaria etc.

The aggregators are going to increase their market share by offering a range of services and providing pricing options to the customers. However, Aspira has its own labs and therefore unlike the aggregators we stand committed to reliable reports. Aspira follows regulations and offers better service levels.

Point of care system are still coming in market, and there is drop in the Routine health checkup margin.

Entry in new market requires strong on field team, which is still an essential factor for marketing.

NETWORK OF LABS

Aspira is focused on establishing itself as a strong regional player before scaling up its operations. Although we follow an asset light model, other costs are significantly high. Most of these cost is front

ended and the payback period is high. We are therefore working on building the right systems and aggressively optimize the cost. We are adopting new technologies that would improve customer experience. Some of these are use of Chatbot, improving website, implementing patient engagement platform, Customer Service, etc.

Also concentrating more on HLM, trying to expand area by targeting newly setup hospitals and laboratory and trying to achieve more technology and advancement.

REGULATORY INTERVENTION

Although largely operating through un-organized laboratories, the diagnostics industry is subject to intervention from the state or central governments in order to enhance testing. During seasonal epidemics, typical guidelines will fix certain pricing for a particular test/panel on a temporary basis. Being cognizant of the important role it has to play in society, the Company is totally compliant with such requirements. Historically, the industry has witnessed capping for instances of Swine Flu, Dengue and Chikungunya.

STRATEGY FOR GROWTH

Aspira is executing the following strategy for growth:

- Create unique customer experience by personalizing the offering and augmenting it with digital technologies.
- Develop online presence together with sharper focus on home collection of samples to drive customer convenience
- Strengthen the network of Doctors in the target areas
- Develop unique solutions for specialized segments like athletes, corporates etc.
- Associate with local labs that are threatened by the presence of collection centres of large labs.
- Develop specialized, personalised health packages.
- Expand test range and services

IT AND DIGITAL INFRASTRUCTURE

Digitalization, which streamlines healthcare procedures across the care continuum, is one of the most important parts of technology. Modern solutions with digital infrastructure enable healthcare providers to deliver smarter, more effective, and responsive treatment at a lower cost and with a better patient

experience. The primary technological distinction remains the ability to completely integrate and automate the process, which includes everything from specimen registration, bar-coding, and payment through analysis and reporting of test findings. This has assisted us in streamlining and optimising operations while also reducing human errors. The robust IT and digital infrastructure is critical to staying ahead of industry standard performance and ensuring we are the simplest location to conduct business.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an adequate internal controls system in place. The policies and procedures, covering all financial and operating functions, are also documented. The system controls are designed to provide reasonable assurance for maintaining proper accounting records. This reinforces reliability of financial reporting, monitoring of operations, protection of assets from unauthorized use or losses and compliance of regulations.

The scope and coverage of audits include:

- Reviewing and reporting of key process risks.
- Adhering to operating guidelines and statutory compliances.
- Recommending improvements for monitoring and enhancing efficiency of operations.
- Ensuring reliability of financial and operational information. The Audit Committee periodically monitors and reviews the significant internal audit observations. It also reviews compliance with accounting standards, risk management and control systems and profitability.

HUMAN RESOURCES MANAGEMENT

Aspira is a new age lab. Human resources are the key to performance. As of March 31, 2022, the Company has 108 employees on its payrolls. The focus during the year has been around enhancing the productivity of the workforce and increasing the sales team. The growth in business was achieved with marginal increase in workforce strength. This was achieved by active redeployment of resources, introducing multi-taskers and job enlargements. The Company has also invested in information technology solution for sales force automation and logistics automation thus aiding employee productivity.

CAUTIONARY STATEMENT

Statement in this Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be 'forward looking statements' within the meaning of applicable securities laws and regulations. INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31ST MARCH 2022

TO THE MEMBERS OF ASPIRA PATHLAB & DIAGNOSTICS LIMITED

Report on the Audit of the Financial Statements ("Report")**Opinion**

We have audited the accompanying financial statements of Aspira Pathlab & Diagnostics Limited ("**the Company**"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including the statement of Other Comprehensive Income), Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("**the Act**") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("**Ind AS**") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("**Ind AS Rules**"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("**SAs**") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibility for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our Report.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS prescribed under section 133 of the Act read with Ind AS Rules, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143 (3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, Statement of Profit and Loss including Other Comprehensive Income, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Ind AS Rules;
- (e) On the basis of written representations received from the directors as on March 31, 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure-A” to this report;
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197 (16) of the Act as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule

11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the

circumstances, nothing has come to our notice that has caused us to believe that the representations under (a) and (b) above, contain any material misstatement.

- v. The Company has not declared dividend during the year.
2. As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure-B** a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under the heading 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of the Company as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the SAs as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal

financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanation given to us and based on our audit, in our opinion, the company has generally maintained, in all material respects, an adequate internal financial controls over financial reporting and such internal controls over financial reporting were generally operating effectively as of 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT:

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date).

To the best of our knowledge and belief and according to the information and explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of- use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all items in a phased manner over a period of two years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As informed, no material discrepancies were noticed on such verification.

(c) The Company is not having any land and building (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), and hence reporting under clause 3(i)(c) of the Order is not applicable.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami

property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii (a) In our opinion, the inventories were physically verified during the year by the management at reasonable intervals and procedures and coverage as followed by the management were appropriate. There were no discrepancies of 10% or more in the aggregate for each class of inventory on physical verification of inventories as compared to book records.

(b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security to companies, firms, limited liability partnerships or any other parties during the year. The Company has granted loans to other parties during the year, details of the loan is stated in sub-clause (a) below.

(a) A. Since the Company is no having any subsidiary, joint venture and associate, reporting under this clause is not applicable to the Company.

B. Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has granted loans to parties other than subsidiaries, joint venture and associates as below:

Particulars	Amount (` in lakhs)
Aggregate amount during the year	105.00
Balance outstanding as at balance sheet date (including interest)	108.21

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the loans given are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, the repayment of principal and payment of interest has been stipulated and the repayments or receipts, wherever due, are regular.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan given falling due during the year, which has been renewed or extended or fresh loans given to settle the overdues of existing loans given to the same party.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans either repayable on demand or without specifying any terms or period of repayment.
- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public during the year and the provisions of Sections 73 to 76 of the Act are not applicable and hence reporting under clause 3(v) of the Order is not applicable.
- vi. To the best of our knowledge and as explained, the maintenance of cost records under Section 148(1) of the Act, is not applicable to the Company. Hence, reporting under clause 3(vi) of the Order is not applicable.
- vii. According to the information and explanations given to us, in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Investor Education and Protection Fund, Income Tax, Custom Duty, Goods & Service Tax, Cess and any other material statutory dues applicable to it with the appropriate authorities during the year.
- There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Customs Duty, Goods & Service Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
- (b) There are no dues of Income-tax, Goods and Service Tax & Customs Duty which have not been deposited as on March 31, 2022 on account of disputes.
- viii. According to the information and explanations given to us and based on our examination of records of the Company, the Company has not surrendered or disclosed any transactions, which were not recorded previously in the books of account, in the tax assessments under the Income Tax Act, 1961 (43 of 1961) as income during the year.
- ix. (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

- (c) The Company has not taken any new term loan during the year and there was no unutilised amount at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, the Company has not raised any funds on short-term basis during the year and hence, reporting under clause 3(ix)(d) of the Order is not applicable.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company does not hold any investment in any subsidiary, joint venture or associate company during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (Including debt instrument) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year (and upto the date of this report).
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable Ind AS.
- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date for the period under audit.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with them and hence provisions of section 192 of the Act are not applicable to the Company.
- xvi. (a) According to the information and explanation given to us and in our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) and (b) and (c) of the Order is not applicable.
- (b) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India Act. Hence, reporting under clause 3(xvi) (c) of the Order is not applicable.

- (c) The Company is not a part of any group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. According to the information given by the management the Company has not incurred any cash losses in the current and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanation given to us and based on our examination of the records of the Company, it has not required to spend any amount as per the section 135 of the said Act. Hence clause 3 (xx) (a) and (b) of the Order are not applicable.
- xxi. According to the information and explanation given to us and based on our examination of the records of the Company, preparation of consolidated financial statements is not applicable to the Company and hence clause (xxi) of the Order is not applicable.

2. Summary of Significant accounting policies**2.1 Basis of Preparation and Presentation**

- a) The Balance Sheet of the Company as at 31 March 2022 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash flows for the year ended 31st March, 2022 and summary of significant accounting policies and other financial information (together referred as 'Financial Statements') have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under section 133 of the companies (Indian Accounting Standards) Rules, 2015 as amended, and other accounting principles generally accepted in India.
- b) The financial statements of the Company have been prepared in accordance with the Indian Generally Accepted Accounting Principles (GAAP) on the accrual basis of accounting and historical cost convention with the exception of certain material items that have been measured at fair value as required by the relevant Ind AS and explained in the ensuing policies below. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

- c) All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products/activities of the Company and the normal time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.
- d) The financial statements are presented in Indian Rupees ('INR'). All amounts disclosed in the financial statements and notes have been rounded-off to two decimal places to the nearest lakhs as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise indicated.

2.2 Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are included in the following notes:

Impairment of goodwill

Determining whether goodwill is impaired requires an estimation of the value in use of the cash-generating units to which goodwill has been allocated. The value in use calculation requires the directors to estimate the future cash flows expected to arise from the cash generating unit and a suitable discount rate in order to

calculate present value. Where the actual future cash flows are less than expected, an impairment loss may arise.

Useful lives of property, plant and equipment

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period. There is no such change in the useful life of the assets.

Fair value measurements and valuation processes

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions. For financial reporting purposes, fair value measurements are categorised into Level 1,2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

Property, Plant and Equipment (PPE)

Property, Plant and Equipments are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from the tax authorities), borrowing costs if capitalization criteria are met and any directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Capital Work-in-Progress represents Property, plant and equipment that are not ready for their intended use as at the reporting date.

Subsequent expenditure related to an item of Property, Plant and Equipments is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing Property, Plant and Equipments, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred.

Gains or losses arising from derecognition of Property, Plant and Equipments are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation methods, estimated useful lives and residual values

Depreciation on Property, Plant and Equipments other than Leasehold Improvements is provided, pro-rata for the period in use, on the straight-line method in the manner prescribed under Schedule II to the Companies Act, 2013. Estimated useful lives of assets are determined based on technical parameters/assessments.

The Management believes that useful lives currently used, which is prescribed under Part C of Schedule II to the Companies Act, 2013, fairly reflects its estimate of the useful lives and residual values of PPE, though these lives in certain cases are different from lives prescribed under Schedule II.

Leasehold Improvements are depreciated over the useful lives of the assets or the unexpired lease period, whichever, is lower. Based on the same, leasehold improvements are being depreciated over a period of 3 - 5 years.

In respect of Computers, Office Equipment and Furniture, the depreciation is calculated by straight line basis considering the useful lives prescribed under Schedule II of the Companies Act, 2013.

In respect of Plant & Machinery comprise of Lab equipments and Lab Instruments, the depreciation is calculated by straight line basis considering the useful life that is period of eight years & ten years respectively, determined based on the management's experience of use of the assets, as against the period of thirteen years & fifteen years as prescribed under Schedule II of the Companies Act, 2013

The Company has considered following useful lives to provide depreciation on its fixed assets:

Tangible assets	Useful Life (in years) followed by the Company (SLM)	Useful Life (in years) under Schedule II (SLM)
Plant & Machinery		
-Electrical Machinery, X-ray and electrotherapeutic apparatus and accessories thereto, medical, diagnostic equipments, namely, Cat-scan, Ultrasound Machines, ECG Monitors, etc	8	13
-Other equipments	10	15
Computers		
-Servers and networks	6	6
-End user devices, such as desktops, laptops, etc.	3	3
Office equipment	5	5
Furniture	10	10
Electrical installations	10	10
Electric Vehicles	8	8

Intangible assets

Intangible assets are stated at cost of acquisition less accumulated amortization / impairment losses.

Goodwill

For measurement of goodwill arising on a business combination, subsequent measurement is at costs less any accumulated impairment losses.

Acquired intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired at purchase of business is recorded at their fair value as at the date of purchase of business. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized

development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

The Company amortizes intangible assets with a finite useful life using the straight-line method over the estimated useful lives. Computer software and Website development cost is being amortized using the straight line method over its useful life, not exceeding three years.

2.4 Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets except inventories to ascertain whether there is any indication that those assets have suffered an impairment loss. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Intangible assets excluding goodwill with indefinite useful lives are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

2.5 Investments and Other financial assets

Classification

The Company classifies its financial assets in the following categories:

Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and

Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flow.

Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. All Financial assets other than those measured subsequently at fair value through Profit and Loss (FVTPL), are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in the Statement of Profit and Loss.

Subsequent measurement

After initial recognition, financial assets are measured at: fair value (either through other comprehensive income or through Profit and Loss), or amortized cost.

Debt instruments

Debt instruments are subsequently measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through Profit and Loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in the Statement of Profit and Loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value Through Profit and Loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at FVTPL. A gain or

loss on a debt investment that is subsequently measured at FVTPL is recognised in Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is recognised in the Statement of Profit and Loss.

Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of such investments. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortized cost and debt instruments measured at FVOCI. Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. In respect of other financial assets, the loss allowance is measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

The contractual rights to receive cash flows from the financial asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all equity instruments (measured at FVTPL) and debt instruments (other than debt instruments measured at FVOCI) are recognized in the Statement of Profit and Loss. Gains and losses in respect of debt instruments measured at FVOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition.

Income recognition

Interest income

Interest income or expense is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.

2.6 Financial liabilities and equity instruments

Classification of debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its liabilities. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

Financial liabilities

Financial liabilities are initially recognised at fair value, net of transaction cost incurred. All financial liabilities are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognised as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gain/(loss).

2.7 Inventories

Inventories comprise of Reagents, Diagnostic Kits, laboratory Chemicals, Stores and Consumables. Inventories are valued at lower of cost and net realizable value. Cost of inventories comprises cost of purchase and other costs incurred in bringing the inventories to their present condition and location. Cost is determined by the FIFO method.

2.8 Revenue recognition

Company's Revenue comprises of revenue from providing healthcare services such as health check up and laboratory services to the customers. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, price concessions etc with the customer or based on the consideration as specified in a contract with a customer. Revenue is recognized at a point in time when the Company satisfies

performance obligations by rendering the promised service to its customers. Generally, each test represents a separate performance obligation for which revenue is recognised when the test report is generated i.e. when the performance obligation is satisfied. Unearned revenue is recognised when there is billings in excess of revenues.

Interest Income is accounted for on time proportion basis taking into account the amount outstanding and the applicable rate of interest.

2.9 Leases

The Company has adopted Ind AS 116- Leases on 1 April 2019 using the modified retrospective approach by applying the new standard to all leases existing at the date of initial application and therefore the comparative information has not been restated and continues to be reported in accordance with Ind AS 17. The Company also elected to use the recognition exemption for lease contracts that, at the commencement date, have a lease term of twelve months or less ("short-term leases") and lease contracts for which the underlying asset is of low value other than land. ("low value assets").

The company as a lessee

As a lessee the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the company uses its incremental borrowing rate as the discount rate. Lease payments included in the measurement of the lease liability comprise fixed payments as per lease agreement initially measured using effective interest method. For short-term leases and low value leases, the Company recognises the lease payments on straight-line basis over the term of the lease to statement of profit and loss as an expense. Interest cost on lease liability is booked as finance cost in the statement of profit and loss.

2.10 Foreign currency transactions

Initial recognition - Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. Conversion - Monetary assets and liabilities denominated in foreign currency are converted at the rate of exchange prevailing on the date of the Balance Sheet. Exchange differences - Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

2.11 Employee benefits

Employee benefits include provident fund, ESI and gratuity.

Defined contribution plan

Employees of the Company are entitled to receive benefits under the provident fund & ESI, which is a defined contribution plan, in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employees' State Insurance Act, 1948 (ESI Act). Contribution paid or payable is recognised as an expense in the period in which services are rendered by the employee.

Defined benefit Plan

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit/ obligation at the balance sheet date. The defined benefit/ obligation is calculated at the balance sheet date by an independent actuary using the projected unit credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss: a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements b) Net interest expense or income The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from Re-measurement of Actuarial(gains)/losses, return on plan assets, excluding amount recognized in effect of asset ceiling. Re-measurement arising because of change in effect of asset ceiling are recognised in the period in which they occur directly in other comprehensive income. Remeasurements are not reclassified to Statement of Profit and Loss in subsequent periods.

All short term employee benefits are accounted on undiscounted basis during the accounting period based on services rendered by employees. Long term employee benefits, if any, which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the obligation as at the Balance Sheet date.

Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in

conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

2.12 Taxes on income

Income tax comprises current tax and deferred tax.

The provision for current taxation is computed in accordance with the relevant tax regulations. Deferred tax is recognised on temporary differences between the carrying amount of assets and liabilities in the financial statements and corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Current tax comprises the expected tax payable or recoverable on the taxable profit or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. It is measured at the amount expected to be paid to (or recovered from) the taxation authorities, using the applicable tax rates and tax laws.

Deferred tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purpose and the amount considered for tax purpose. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted by the end of the reporting period. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences, only if it is probable that future taxable profits will be available against which they can be utilized.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or all of that deferred tax asset to be utilized such reductions are reversed

when it becomes probable that sufficient taxable profits will be available.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be recovered.

The measurement of deferred tax assets and liabilities reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

2.13 Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

2.14 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. The weighted average number of

equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.15 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and on hand and short term investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purposes of the statement of cash flows, Cash and cash equivalents consist of cash at bank and on hand and short term deposits, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.16 Segment reporting policy

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The chief operating decision maker (CODM) is responsible for allocating resources and assessing performance of the operating segments and has been identified as the Board of Directors of the Company. Refer note 35 for segment information presented.

2.17 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

2.18 Recent Accounting Developments

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 103 – Business Combination:

The amendments specifies that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Property Plant and equipment:

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets:

The amendments specify that that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The

effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and there is no impact on its financial statements. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Financial Instruments:

The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

The average credit period from service is 0-30 days. No interest is charged on the trade receivables for the amount overdue above the credit period. There are 5 customers who represent more than 5% of the total balance of trade receivables.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix. The provision matrix at the end of the reporting period is as follows.

The amounts were paid subsequent to the end of the respective reporting periods.

37.2 Defined benefit plans

The Group has a defined benefit gratuity plan which is unfunded. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days' salary (last drawn salary) for each completed year of service or part thereof in excess of six months. The present value of the defined benefit obligation and the related current service cost are measured using the Projected Unit Credit method with actuarial valuations being carried out at each balance sheet date.

37.3 The Company is exposed to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Financial risk management

The Company activities expose it to market risk, liquidity risk, interest rate and credit risk. The company's risk management is carried out by the senior management under policies approved by the board of directors. The Board provides guiding principles for overall risk management, as well as policies covering specific areas such as credit risk and liquidity risk. This table explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, security deposits, bank deposits and loans	Ageing analysis, Credit score of customer/entities	Diversification of bank deposit and monitoring the credit limit of customers
Liquidity Risk	Other financial liabilities	Cash flow forecast by the finance team under the overview of senior management	Working capital management by senior management.
Interest rate risk	Borrowings	Cash flow forecast by the finance team under the overview of senior management	monitoring the movement in market interest rate closely by senior management.

(i) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The following are remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

Interest rate sensitivity analysis

The sensitivity analysis below have been determined based on the exposure to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the long term borrowing balance at the end of the reporting period was outstanding for the whole year. A 100 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.
